To: Cowden-Herrick Staff and Parents

From: Mr. Darrell Gordon, Superintendent

Earlier this week the District became aware of a situation rumored in the community and on social media posing a possible threat to our students in the Cowden building. The local law enforcement was contacted and an investigation was conducted resulting in absolutely no potential threat to any student or staff member.

As a grandparent of an elementary student in Herrick and a preschooler in Cowden, I understand our sense of need to protect our children. Please be assured we take all threats seriously and will continue to monitor the slightest of allegations and/or rumors in order to provide a safe environment.

Sincerely,

Mr. Darrell Gordon
Superintendent
